“Headstrong, brash, confident, and complex, the MacLarens of Fire Mountain will captivate you with strong characters set in the wild and rugged western frontier.” Handsome, ruthless, young U.S. Marshal Jamie MacLaren had lost everything—his parents, his family connections, and his childhood sweetheart—but now he’s back in Fire Mountain and ready for another chance. Just as he successfully reconnects with his family and starts to rebuild his life, he gets the unexpected and unwanted assignment of rescuing the woman who broke his heart. Beautiful, wealthy Victoria Wicklin chose money and power over love, but is now fighting for her life—or is she? Who has she become in the seven years since she left Fire Mountain to take up her life in San Francisco? Is she really as innocent as she says? Marshal MacLaren struggles to learn the truth and do his job, but the past and present lead him in different directions as his heart and brain wage battle. Is Victoria a victim or a villain? Is life offering him another chance, or just another heartbreak? As Jamie and Victoria struggle to uncover past secrets and come to grips with their shared passion, another danger arises. A life-altering danger that is out of their control and threatens to destroy any chance for a shared future.
