First book in the Storm Lake East series!

Hero, or pretender?

The tall dark and deadly looking mercenary Delilah Burke confronts at the robbery scene is sexy as sin, and apparently saved the day, but is anything about him real?

Ex-Navy officer Luc Larue knows how it looks when the sexy cop and her partner respond to a silent alarm at the grocery where he stopped for a six-pack after work. Luc's job with KPI requires certain...attire, and equipment.

Once she finds out what he does for a living, and that he's not a real hero, she probably won't agree to see him again, much less hear his proposition.

Each day reveals more to Del of the enigma that is Luc Larue. The guy is golden, perhaps too good to be true. Then, trouble arrives from out of his past and Del is faced with a choice – does she believe the evidence against Luc, or trust her heart?

“I loved Luc from the first page... Livia Quinn's contemporaries remind me of Jill Shalvis and Robyn Carr, stories with heart and heat.” *Hard Days Knight*

“I could read this writer's beautiful writing all day!” *Storm Crazy*

“Flowing with passion...wow, what a great read.” “A hot read...what more could a reader want?” *Undone*
