"Bodacious Bakery Wishes - Creating luscious booties one pastry at a time."

Travis has lost his job, his way and the girl he thought he knew in his girlfriend. She's become someone else in the few years they've been together, literally and mentally.

Travis still loves her, but yearns for the girl he met in college including her college **curves**. He wishes for her to have the curves of the girl he's seen in the new cafe, but knows it's a shallow thought, or is it?

What if there was a bakery that catered to the curvy appetite, where man or woman could go to order the curves they desire?

Could it be possible such curvy wishes are granted and, if so, what could possibly go wrong?
