Breaking Point (Anonymous Justice) (Volume 1) Boyd Craven Jr., Boyd Craven III

Friday, December 18th, 2015 was the Breaking Point. We hear with increasing frequency, reports of mass shootings or terrorist activities on American soil. Don't you get tired of the media sensationalizing everything? Do you hate how the police have their hands tied on how they can react, by politicians who are more worried about political correctness, and getting re-elected? Don't you fantasize about just giving the bad guys what they have coming to them? That's what this story is about. It's guaranteed to offend the crap out of some people! It's not illegal to fantasize in this country... Yet. -Rated R by us, for language and violence-
