Bred to Kill

Franck Thilliez

Bred to Kill Franck Thilliez

The shocking sequel to the runaway international best-seller *Syndrome E*.

Syndrome E's Lucie Henebelle and Inspector Sharko have reunited to take on the case of the brutal murder of Eva Louts, a promising graduate student who was killed while working at a primate research center outside Paris. But what at first appears to be a vicious animal attack soon proves to be something more sinister. What was Eva secretly researching? Was she tracking three fanatical scientists who control a 30,000-year-old virus with plans to unleash it on the world?

With his unmatched ability to inject cutting-edge science into his novels, Franck Thilliez draws on genetics, paleontology, and the dark side of human nature to create this smart, adrenaline-fueled thriller. *Bred to Kill* moves from the rain-slick streets of Paris to the heart of the Alps to the remote Amazon jungle, as Lucie and Sharko work to solve the murder - before whoever killed Eva comes for them.
