Matthew is damaged goods and he knows it. He's the Champion of Chaos and embraces that fact. He may be fated to fight the Champion of Order but what's the point of being chaotic if you can't flip the tables over? He's got a plan to break free of destiny and claim the one thing his heart truly desires, Elise Ddraig, his mortal enemy.

Curvy Elise Ddraig is the Dragon Chosen. As the only female dragon shifter ever, she's fated to be Order's Champion and save the world. She's had to come to terms with being magically aged but she has her werewolf friends Rose and Rory as allies and her bodyguard turned lover, Lou.

Nothing's easy when you're the Dragon Chosen. Just when she is starting to get things figured out she meets the opposition. The Champion of Chaos, Matthew. He is fiery, powerful, and has plans for her.

The attraction between Elise and Matthew is immediate but can she throw away the life she's made? Can she turn her back on everything and forge a new path? If she does, who will save the world?
