Hot Attraction (Hotshot Heroes) Lisa Childs

She's playing with fire!

Reporter Avery Kincaid always gets what she wants. After an inferno tears through the Huron National Forest and nearly kills a group of campers, Avery's instincts kick in. There's definitely more to this story. She'll need to use every ounce of sex appeal she has to get the scoop from a certain scorching-hot elite firefighter...

Only, Hotshot Dawson Hess wants nothing to do with the press. Especially when they get too close to the flames...or the truth. He's guarded and closemouthed—except when he's using that sexy mouth to drive Avery wild. What she doesn't know is that Dawson needs something from her...and if she can't take the heat, she'd better stay out of this Hotshot's bed!
