La régionalisation du droit international (Cahiers de droit international) (French Edition)

Stéphane Doumbé-Billé

La régionalisation du droit international (Cahiers de droit international) (French Edition) Stéphane Doumbé-Billé

La régionalisation du droit international public a de nombreuses facettes.

L'ouvrage traite à la fois des divers domaines de la régionalisation (droit de la mer, droit de la sécurité collective, droits de l'homme, droit de l'environnement, droit des organisations internationales...) de l'étendue, des degrés et des techniques de la régionalisation. Il aborde également les interactions (concurrence et complémentarité) tant entre les niveaux universel et régional qu'entre les régionalismes.

Le présent ouvrage intéressera les avocats en droit public et droits de l'homme, les magistrats, les fonctionnaires, ainsi que les professeurs et leurs étudiants.
