What People Are Saying...

"Mirror, Mirror: Am I Beautiful?" by Shelley Hitz is one of the best books I have read this year, and I am not just saying that because I am writing a review about it either! Not only is this book enjoyable to read, but it is also easy to read.

I am encouraged by this book. It is refreshing to read a book that speaks about things I have struggled with, such as self-esteem and confidence with who God made me to be. It can be so easy to fall into the trap the devil sets for us, to try and steal our joy by getting us to focus our attention on our outward appearance, instead of on our inward appearance, where it really matters.

In her book Shelley Hitz does a great job of helping girls overcome their self-esteem issues by leading them to the Word of God. **I encourage every girl who reads this to read "Mirror, Mirror: Am I Beautiful?" by Shelley Hitz. You will be encouraged!"**
