They were leaving. I didn't wave. They didn't wave. They didn't even look back! I guess you don't if you've just killed someone. Especially if that someone is your brother-in-law. Thus began Stuart Andrews' sixteen-hour survival ordeal in the Caribbean Sea off the island of St. Nantes. Once miraculously ashore, he had to remain dead to the people who had done their best to drown him while on a fishing excursion during the time their cruise ship was in port. Luckily, Stuart had funds and resources that his would-be murderers didn't suspect, so he was able to craft a new identity and a plan. A plan for revenge that he would execute in his own time and in his own way. After all, the saying was, "Vengeance is a dish best served cold." Payback is a Bitch!
