This boxed set contains the first four books (three novels and a novella) in the *Gareth & Gwen Medieval Mysteries*.

The Good Knight:

Intrigue, suspicion, and rivalry among the royal princes casts a shadow on the court of Owain, king of north Wales...

The year is 1143 and King Owain seeks to unite his daughter in marriage with an allied king. But when the groom is murdered on the way to his wedding, the bride's brother tasks his two best detectives--Gareth, a knight, and Gwen, the daughter of the court bard--with bringing the killer to justice.

And once blame for the murder falls on Gareth himself, Gwen must continue her search for the truth alone, finding unlikely allies in foreign lands, and ultimately uncovering a conspiracy that will shake the political foundations of Wales.

The Uninvited Guest: It is the winter of 1143 and all is not well in the court of Owain, King of north Wales. His future in-laws are untrustworthy, the Norman lords on his eastern border are restless, and among his wedding guests lurks a cold-blooded killer. Gareth and Gwen have marriage plans of their own, but their love will have to wait while the pair race to separate truth from lies, friends from foes, and unravel the mystery before King Owain--and his new bride--fall victim to their uninvited guest.

The Bard's Daughter (a 22,000 word prequel novella to the Gareth & Gwen Medieval Mysteries):

As a bard's daughter, Gwen has spent her life traveling from castle to castle and village to village with her family, following the music. In the winter of 1141, Gwen's family is contracted to provide the entertainment for the coming-of-age celebration of a lord's son. But before the celebration can begin, Gwen's father is found over the body of his friend, with a harp string as the murder weapon and blood on his hands.

With the lord of the castle uninterested in finding the true killer, it is up to Gwen to clear her father's name before her father's music is silenced ... forever.

The Fourth Horseman: *May 1144.* Newly wedded, Gareth and Gwen travel across the border into England on a diplomatic mission with Prince Hywel of Wales. Within moments of their arrival, however, the mission goes awry and a murder case drops (literally) at their feet. Hindered at every turn by a climate of civil war and constantly shifting political alliances, Gareth and Gwen race to solve the murder and expose a plot that threatens not only their lives, but the life of the future King of England himself.

Murder, intrigue, and treachery take center stage in *The Fourth Horseman*, the third *Gareth & Gwen Medieval Mystery*.
