Excerpt from the Preface: “The lives of 5,000 young girls are laid upon the altar of lust every year in the city of Chicago alone. The insatiable rapacity of man, the lust of the hunt, the demands of brutish passion ordain it that these 5,000 young innocents be led forth to the slaughter, annually. This statement is not a matter of guess. It is the estimate of officers of the Chicago Law and Order League, the Illinois Vigilance Society, the police authorities and Assistant State's Attorney Clifford G. Roe.” This edition is a reprint of a book first published in 1909.
