And The Walls Came Tumbling Down Debbie McGowan

Jack Davies led an unremarkable life, serving fast food in a nondescript seaside town by day and playing computer games by night. Unremarkable that is, until Professor Jericho ordered a sausage and a cup of tea.

After discovering he has the ability to move through time and space, Jack embarks on a journey to repair a tear in the fabric of reality, with only his high school stalker, a television news crew and a crossword puzzle for help.

With every moment of indecision, the problem gets more complex.

And Jack never could make up his mind.
