Texas Hotzone Series: Jump Start/High Octane/Breathless Descent Lisa Renee Jones

Welcome to the Texas Hotzone! A box set of three superbly sexy full-length romances featuring a trio of daredevil heroes from acclaimed author Lisa Renee Jones!

TEXAS HOTZONE is the skydiving business propelling the citizens of Austin, Texas, into a whole new realm of adventure. At the helm of the operation are three wild jumpmasters, Bobby, Ray and Caleb—ex Army Rangers called the "Crazy Aces" for their willingness to take on the most daring of missions. Unstoppable. Untamable. But that's all about to change. These men are going to learn that no man, not even one of the Crazy Aces, is without a weakness—you just have to know her name.

In *Jump Start* Jennifer Jones appears to have it all. But secretly, she carries a torch for the former love of her life Bobby Evans. When Bobby shows up for a friend's wedding, she hopes to avoid him; he hurt her once he'll do it again, but Bobby's changed and he not only knows what he wants, he knows what she likes, too!

In *High Octane* Ray Walker and Sabrina Cameron are breaking all the rules. Their hot, sensual fling thrills and excites them, and forces them to reach beyond their inhibitions, beyond fear. Soon, Sabrina, threatened by a blackmailer, feels her world spinning out of control, until Ray insists he'll protect her, even though it'll force him to be more daring than either of them ever imagined he could be...

In *Breathless Descent*, a forbidden kiss ten years ago is recreated when Caleb Martin meets the gorgeous, now grown-up daughter of the foster family that had cared for and raised him. He's willing to risk it all for Shay White, but once their steaming-hot affair is discovered, will they have to go their separate ways after all?

Get all three books in this series in a value-priced box set, and don't forget—there's no looking back or down!
