Wandermere is anything but your typical fairy forestkingdom. No dainty, innocent, classical fairies sitting on toadstools pettingbaby bunnies. Instead, you'll stumble upon mouthy teen fairies wearing designerknockoffs and texting on smart phones. Think cute, tiny, fae teens drivingbugs instead of cars and drinking honey instead of beer. And there'salways a nasty girl in High School; the most popular, the prettiest, the one thathates the protagonist. Yep, that would be Soahc.

It wasn't always like this, andthe adults claim the reasons behind the change are to help them better dealwith trips to the human world, but Dekram begins having doubts. She's not sure what'sreal anymore, and who has been lying, and why.
