If you're a werewolf in need of help. Or a ghost, looking for someone to talk to, who do you turn to? The Bogus Anomalous Group, that's who? The B.A.G. Co. is a group of psychics and near psychics and a few just plain pretend psychics, ready and willing to help out, as long as there's a buck to be made. Now that Pam Bogus has been on the job for all of one whole month, things have gotten settled down. Aside from the snow storm being unleashed on town in the middle of July in Texas. Pam and her not so trusty group of psychics must try to find out what's causing this bizarre weather anomaly. A vampire is causing trouble in the basement of the local funeral home. There's a government contract to get to the bottom of a devastating problem obstructing the local top secret government research facility and bringing it to a standstill. Chills, literally. Thrills, if you're into that sort of thing. Creepy Crawlies in the night. All here in the second devastatingly entertaining adventure of the Bogus Anomalous Group.
