John Keegan

The First World War: An Illustrated History John Keegan

'Magisterial in its scope, beautifully written and literally unputdownable. I cannot recommend Keegan's book too highly.' Julian Critchley, Scotsman 'Nobody describes a battle as Keegan does, vividly relating the unfolding events to the contours of the field of combat. This book is a kind of war memorial. As first-hand memory fades, The First World War honours the dead as only true history can.' Niall Ferguson, Sunday Times 'John Keegan's The First World War can take its place alongside the other defining works he has written. The best and most approachable introduction to the war.' David Horspool, Guardian 'Beautifully written and full of telling detail. The best overall account for the general reader that has appeared since that of Cyril Falls nearly forty years ago.' Michael Howard, Times Literary Supplement

From reader reviews:

Becky Pope:

As people who live in the modest era should be upgrade about what going on or details even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe can update themselves by reading books. It is a good choice to suit your needs but the problems coming to anyone is you don't know which you should start with. This The First World War: An Illustrated History is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Patricia Steele:

Information is provisions for folks to get better life, information these days can get by anyone from everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is from the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take The First World War: An Illustrated History as the daily resource information.

Edward Vogler:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Lots of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the ebooks. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some research before they write to their book. One of them is this The First World War: An Illustrated History.

Margaret Babin:

Your reading 6th sense will not betray you, why because this The First World War: An Illustrated History e-book written by well-known writer who knows well how to make book which might be understand by anyone who also read the book. Written in good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still doubt The First World War: An Illustrated History as good book not only by the cover but also from the content. This is one book that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick this particular!? Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.
