The Oxford History of Mexico

The Oxford History of Mexico

Mexico is a country of fascinating contrasts--glorious history and tumultuous politics, extraordinary culture and desperate poverty, ancient traditions and rapid modernization. Yet despite the growing curiosity about Mexico due to increased trade and commerce, mostly resulting from NAFTA, as well as increased tourism and immigration, there is presently no up-to-date, accessible history of Mexico for general readers.

The Oxford History of Mexico, edited by Michael Meyer and William Beezley is a comprehensive, lucidly written, and fully current narrative history by twenty of the most esteemed historians of Mexico writing today. Drawing on radical changes in scholarship on Mexico over the past 15 years, *The Oxford History of Mexico* covers all aspects of the rich history of Mexico from precolonial times to the present. Exploring politics, religion, technology, modernization, ethnicity, colonialism, ecology, the arts, mass media, and popular culture, The Oxford History of Mexico provides a wealth of information for all readers interested in this remarkable country.

Fully illustrated, with black-and-white photos throughout and a sixteen page color insert, suggestions for future reading, an index, and a glossary, this is the fullest and most engaging history of Mexico available today.

From reader reviews:

Erin Marshall:

Typically the book The Oxford History of Mexico has a lot of knowledge on it. So when you make sure to read this book you can get a lot of help. The book was published by the very famous author. McDougal makes some research before write this book. This kind of book very easy to read you will get the point easily after looking over this book.

Kristina Keene:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you could have done when you have spare time, then why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Oxford History of Mexico, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't obtain it, oh come on its called reading friends.

Dennis Gaines:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Oxford History of Mexico can make you really feel more interested to read.

Fred Simpson:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information from the book. Book is prepared or printed or created from each source which filled update of news. With this modern era like currently, many ways to get information are available for an individual. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just trying to find the The Oxford History of Mexico when you required it?
