For some people money is the root of evil. But for Dalivia, Capri, and Bobbi, it's the beginning of a whole lot of trouble.

After going on multiple successful robberies and not getting much, the three friends finally hit for the mother lode. However, their big payday comes with a whole lot of trouble, as soon as the rightful owner finds out and wants it all back. Then due to his hostile ways and fearlessness, killing for it is a very easy decision for him to make.

Desean isn't looking for love when he finally finds it. And neither is he expecting for the most beautiful woman that he has ever laid eyes on to be a thief. Will he continue loving her when he finds out her agenda? Or will his loyalty to the game force him to turn her and her friends over to the man who wants them all dead?
