The Wheeling Year: A Poet's Field Book Ted Kooser

Ted Kooser sees a writer's workbooks as the stepping-stones on which a poet makes his way across the stream of experience toward a poem. Because those wobbly stones are only inches above the quotidian rush, what's jotted there has an immediacy that is intimate and close to life.

Kooser, winner of the Pulitzer Prize and a former U.S. poet laureate, has filled scores of workbooks. *The Wheeling Year* offers a sequence of contemplative prose observations about nature, place, and time arranged according to the calendar year.

Written by one of America's most beloved poets, this book is published in the year in which Kooser turns seventy-five, with sixty years of workbooks stretching behind him.
