Advanced Algebra with the TI-84 Plus Calculator Brendan Kelly

Algebra is much easier to teach when your students can work through the self-directed lessons in this book. Students can explore mathematical concepts on the TI-84 Plus while you walk around the room and facilitate their learning. Keying sequences guide them through the labyrinth of menus on the TI-84 Plus without the need to page through the calculator manual. Detailed solutions at the back of the book help students over obstacles to their learning and the calculator functions are absorbed with minimal effort as the mathematics is learned. Some programs are included to showcase the power of iteration in solving some otherwise intractable problems. Historical vignettes are included to add a human dimension to the mathematical excursions. The topics include sequences & series, finding roots of polynomial equations, the fundamental theorem of algebra, complex numbers, fractals and mathematics of chaos, combinatorics, probability, linear systems, matrices, linear programming and various applications such as the mathematics of investment. A new section on Phi and the Golden Ratio has been added for current interest stimulated by The DaVinci Code. For those with the TI-84 Plus Silver Edition, this book includes references to the probability simulations involving coin and dice tossing experiments found on the Applications menu.

From reader reviews:

Donald Taylor:

Have you spare time for just a day? What do you do when you have a lot more or little spare time? That's why, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a move, shopping, or went to the Mall. How about open or read a book called Advanced Algebra with the TI-84 Plus Calculator? Maybe it is to be best activity for you. You recognize beside you can spend your time together with your favorite's book, you can more intelligent than before. Do you agree with it is opinion or you have other opinion?

Robert Qualls:

This book untitled Advanced Algebra with the TI-84 Plus Calculator to be one of several books in which best seller in this year, here is because when you read this reserve you can get a lot of benefit into it. You will easily to buy this particular book in the book store or you can order it by way of online. The publisher in this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Cell phone. So there is no reason for your requirements to past this e-book from your list.

Bertha Davis:

This Advanced Algebra with the TI-84 Plus Calculator is great book for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This book reveal it information accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with splendid delivering sentences. Having Advanced Algebra with the TI-84 Plus Calculator in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no e-book that offer you world within ten or fifteen second right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. stressful do you still doubt that will?

Nicholas Sheen:

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Advanced Algebra with the TI-84 Plus Calculator can make you sense more interested to read.
