Alien Bedtime Stories Grant Cameron

This book contains some of the most popular UFO stories from the files of a researcher's 40 years of research. Stories range from: Stories about famous rock stars, Nobel Prize winners, and top researchers who experienced alien abduction. Stories about the connection of consciousness to the UFO phenomena and insight into where inventions come from. The best stories of the United States cover-up including the CIA's documented channelling of an alien, and the real inside story of Area-51. Stories about what the Presidents of the United States knew about the UFO subject. The inside story of Hillary Clinton and UFOs. The full story of the Bledsoe abduction which is about to become a major Hollywood movie. The story of the Canadian government, that confirmed flying saucers were real, were dealing with recovered UFO hardware including the Roswell crash, and tried to get an alien to land at a Top Secret base. Stories of a huge 1975 flap of sightings that was tied in closely to the United States nuclear missile program.

Grant Cameron is the world's leading researcher on the subject of UFOs and the President, the Canadian government UFO story, and the role of consciousness in how the UFOs work, and why they might be here. He has also done extensive work on the connection between modern music and aliens. He has written up much of his research finding at his website www.presidentialufo.com
