Fifty Dead Men Walking: The true story of an undercover agent inside the IRA. Martin McGartland For more than four years, Martin McGartland lived the astonishing double life of a secret agent. To the IRA, he was a trusted Intelligence Officer and an integral member of an active service unit. To the British Government however, he was known only as 'Agent Carol'. Martin McGartland is credited by British Intelligence with saving the lives of at least fifty people. Every time he tipped off the authorities, he risked detection and yet, heroically and fearlessly, he continued to pass on life-saving information. Finally, his cover was blown. Martin was taken from Sinn Fein headquarters in Belfast to an IRA safehouse for questioning and almost certain execution. Though guarded by armed men, in a desperate bid for freedom, he dived from a third floor window...This breathtaking story is now a major film starring Sir Ben Kingsley and Jim Sturgess.
