Sister Carrie, by Theodore Dreiser (Author) Theodore Dreiser

Regarded by many critics as the greatest novel on urban life ever composed, *Sister Carrie* tells the story of Caroline Meeber, an 18-year-old from rural Wisconsin whose new life in Chicago takes her on an astonishing journey from the despairing depths of industrial labor to the staggering heights of fame and stardom. Representing the transition from the heavy moralizing of the Victorian era to the realism of modern literature, *Sister Carrie* remains a literary milestone that examines the human condition and all its flaws.
