Visible Church-Visible Unity: Ecumenical Ecclesiology and "The Great Tradition of the Church" (Unitas Books) Ola Tjorhom

In *Visible Church-Visible Unity* Ola Tjorhom explores central questions in current ecclesiological and ecumenical debates from the perspective of an evangelical catholicity of "the Great Tradition of the Church." Tjorhom shows how the fundamental visibility of the Church and the similarly visible nature of church fellowship is a corrective cover against "invisible" perceptions of these entities. This theme of visibility is developed in view of the sacraments, the ministries, and the mission of the Church.
