After Long Silence

Helen Fremont

After Long Silence Helen Fremont

"To this day, I don't even know what my mother's real name is."

Helen Fremont was raised as a Roman Catholic. It wasn't until she was an adult, practicing law in Boston, that she discovered her parents were Jewish--Holocaust survivors living invented lives. Not even their names were their own. In this powerful memoir, Helen Fremont delves into the secrets that held her family in a bond of silence for more than four decades, recounting with heartbreaking clarity a remarkable tale of survival, as vivid as fiction but with the resonance of truth.

Driven to uncover their roots, Fremont and her sister pieced together an astonishing story: of Siberian Gulags and Italian royalty, of concentration camps and buried lives. **After Long Silence** is about the devastating price of hiding the truth; about families; about the steps we take, foolish or wise, to protect ourselves and our loved ones. No one who reads this book can be unmoved, or fail to understand the seductive, damaging power of secrets.

What Fremont and her sister discover is an astonishing story: one of Siberian gulags and Italian royalty, of concentration camps and buried lives. **AFTER LONG SILENCE** is about the devastating price of hiding the truth; about families; about the steps we take, foolish or wise, to protect ourselves and our loved ones. No one who reads this book can be unmoved, or fail to understand the seductive, damaging power of secrets. -->
