CAN ANYTHING GOOD COME FROM AFRICA?

"Failure to Success" is a life-changing book that shows anybody that no matter where and how bad they were born in life, by God's grace, they CAN RISE up and SHINE in GOOD SUCCESS too!

With all the negative and propaganda spin on Africa and the African people swirling around in world news, people in the Western industrialized and more developed nations are asking: Can anything GOOD ever come out of Africa? In fact, even Christian Missionary Organizations from Europe and America, for many centuries, were sending their Missionaries to proselytize Africans.

Well, this is not a new thing, nor is it the first time that such a demeaning question is ever asked.

In the Gospel of John 1:43-51 (especially verse 46). Our LORD Jesus Christ was beginning His public earthly Ministry as a Man. He selected Andrew and other disciples into His Dream-Team. Then Andrew recruited his brother Simon Peter. Also, Jesus called Philip. And Philip invited Nathanael. Finally, Nathanael was the disciple who coined the popular slogan: Can anything good come from Nazareth? But Philip answered Nathanael: Come and see it for yourself! And sure enough, the MESSIAH from Nazareth has been INVADING and REVOLUTIONIZING the world ever since with Miraculously GOOD and POSITIVE things!

As bad and deplorable as Nazareth was viewed in Israel, Jesus Christ was raised up in that city no matter what. At that time, Nazareth was very famous for every evil, poor, bad, negative, disgraceful, nasty, unholy, corrupt, violent, inhumane, vile, uncivilized, miserable, hopeless, undeveloped, wicked, immoral, demonic, crime-infested, you name it. Yes, Nazareth was everything [satanic], but Good! However, GOD ALMIGHTY had a different plan and vision in His Mind for that city, for the nation of Israel, and for the whole world.

Out of the shameful ashes of Nazareth, GOD decided to raise up His Wonderful SON to blitz the wide world with dazzling and scintillated SIGNS, WONDERS and MIRACLES [never ever seen before] that shook and still rocks humanity even to date in the 21st Century and forever!

So it is with Africa and the African descents today. But despite the humiliating PR about the richest, and yet, the most despised Continent on this planet [in spite of her immeasurable mineral wealth], GOD was quietly training and equipping a young African man by the name of N. D. Audu from Taraba State of Nigeria.

In his salivating autobiography: FAILURE TO SUCCESS, the reader will read about Dr. N.D. Audu's humble beginning and near-death struggles. How Apostle N.D. AUDU (an ex-muslim) was born in poverty, unthinkable sufferings and setbacks. But against all hope, he dared to challenge all obstacles and believe GOD's Purpose and Dream for his life -- by turning Failure into Good Success through God's faith, strategies, plan and never-quitting-determination.

And for over 35 years, God took him to Heaven and sent him back to Earth with unspeakable Miracle-demonstrating-Power that has been turning Europe, America and the world upside-down. How many dead people are raised back to life again. How world leaders, kings and diplomats are receiving him honorably. How the deaf hear, the dumb speak, the blind see, the demon-possessed set free, the barren have babies, the lame walk, natural elements are reversed, multitudes of sinners won to Christ and plethora of convincing miracles are following his world-impacting Ministry in over 40 nations worldwide.

This is one of the 70 MUST-read-books written by Dr. AUDU to help everyone who thinks that life is not fair to them, or all hell is breaking loose against them, their dreams, families, passions and destinies. But also how they will be motivated to turn their setback into a setup for them to step up for a victorious come back
