Emily Dickenson

The Complete Poems of Emily Dickenson Emily Dickenson

The Complete Poems is especially refreshing because Dickinson didn't write for publication; only 11 of her verses appeared in magazines during her lifetime, and she had long-resigned herself to anonymity, or a "Barefoot-Rank," as she phrased it. This is the perfect volume for readers wishing to explore the works of one of America's first poets. Text refers to a previous edition of this title.
