## The Oxford Book of Prayer

Despite the anxious and ubiquitous materialism of the modern world, the practice of prayer and meditation remains a source of both relief and inspiration for millions. This unique compilation of over 1,100 prayers combines the traditional with the modern, stretching from the Bible, the saints and mystics of the past, and the Book of Common Prayer, to a Ghanaian fisherman's prayer, and prayers from many influential non-Christian religions.

Selected for their literary merit as well as spiritual quality, these prayers speak to the modern reader. Arranged under headings such as "Prayers from the Scripture," "Prayers of Christians, Personal and Occasional," and "Prayers of Other Traditions of Faith," the anthology includes a subject index to guide the reader to prayers for particular occasions, as well as an index of authors and sources. It serves as the ideal source for browsing or for more structured prayer, as well as for private meditation or public worship.
