Third

Q. Kelly

Third Q. Kelly

Tudor historian Helen Franklin is horrified when her dying scientist father leaves her a most unusual inheritance: Anne Boleyn. Yep, Anne Boleyn as in Henry VIII's beheaded queen. She is a time traveler and is having trouble adjusting to the modern world. Helen tells herself she does not have time for Anne. Yalia, Helen's wife, has been distancing herself from Helen for three years, and Helen needs to decide if she wants to save their marriage.

Then the unexpected happens. A romantic relationship develops among Yalia, Anne and Helen. Can the three of them figure out their lives together, especially when time might be running out for Anne?
