Bucket of Face Eric Hendrixson

Thirteen years after a police officer searching a suspected child molester's home spilled a vial of silver pollen, America is still struggling with how to recognize its sentient fruit population. Charles is just a normal guy working at a doughnut shop until an apple and a banana shoot each other in a mafia dispute, leaving a briefcase full of foreign currency and a specimen bucket at the corner booth. When Charles turns the wiseguys into doughnuts and steals their luggage, hoping for a better life for himself and his kiwi fruit girlfriend, he finds himself in the middle of a mafia war. As his girlfriend travels the DC metro area, selling off the contents of the bucket, Charles finds he is the target of a seasoned hit-tomato, who happens to be the biggest Michael Jackson fan who ever lived.
