Charles Bukowski's Scarlet

Pamela Wood

Charles Bukowski's Scarlet Pamela Wood

Literary Nonfiction. Memoir. "It began as a whim"--an impulsive meeting between the iconic Charles Bukowski and his famed muse, Pamela "Cupcakes" Wood--that leads to a two-year relationship Wood chronicles in this memoir. Her story is refreshingly blunt as she details their often ridiculous, yet charming relationship. This is a Bukowski enthusiast's dream--an immersion into his life with the independent and spirited "Scarlet," the woman he wrote about in the book of the same name. She appears as "Tammie" in Bukowski's book *Women*. What was the powerful chemistry between Bukowski and the woman whose identity intrigued so many? Written with engaging wit, this is an insightful recollection of their life together. We see Buk as a gifted, flawed man, yet we appreciate him for his deeply sensitive and compassionate nature.
