*The world's most wanted man is back from the dead. And only one woman can stop him...*

Former Army linguist Lucky San Ramos escaped with her life, but the scars an evil terrorist leader left on her skin are a constant reminder of her captivity. Now her tormentor is back—and so is the sexy Special Operations soldier she once loved.

HOT operator Kevin “Big Mac” MacDonald rescued Lucky the last time. And then he walked away when he couldn’t be what she needed. When Lucky married his teammate, Kev knew it was for the best. But now Marco is dead and Lucky is no longer safe.

When Kev and Lucky team up to capture a terrorist, they’ll have to pretend to be man and wife on an explosive military mission to a war-torn nation. With time running out and the fate of the world hanging in the balance, Kev and Lucky play a perilous game of cat and mouse with a madman during the day.

But at night, they battle the secrets of the past and the sizzling attraction that threatens to endanger the mission. Lucky shouldn’t want the man who abandoned her once before. But the passion between them is sinfully, sensuously, dangerously hot... and proving impossible to resist.
