A BWWM Billionaire Pregnancy Romance

Melanie has waited a lifetime to start her own family. She's always been career minded, quickly rising in the ranks as a divorce attorney. With thirty approaching rapidly, she decides that she doesn't want to wait anymore and opts to have a baby on her own.

Kian is a successful billionaire in the prime of his life. He doesn't date and certainly doesn't want children. Now, it looks like he doesn't have a choice about children because one donation to a sperm bank that he made a decade ago is coming back to haunt him.

When Kian finds out that Melanie is pregnant with his baby, he decides to try to reason with her. Instead, from the moment he lays eyes on her he's swept up into a whirlwind romance. Melanie and Kian are both harboring potentially catastrophic secrets. What will happen when both of them are forced to reveal the truth about themselves?
