Injured on a mission gone wrong, Cory “Reaper” Nipton’s Navy SEAL career is over. With only one arm, he can’t join his fellow teammates, or even his fiancée, the Special Ops helicopter pilot who flew him in and out of harm’s way. Relegated to life as a civilian, and angry at his lack of choices, Reaper goes through rehab with a petite, soft-spoken physical therapist with two iron fists. He’s forced to face an uncertain future and learn how to live without the use of his right arm.

Ex-cop, Leigha Fields, lost her career due to a gunshot wound that destroyed her knee. Retrained and refitted with different skills, she has re-imagined her world, dedicating her life to helping wounded warriors find their way. Until someone from her past seeks revenge. Leigha and Reaper join forces to untangle the mystery and free her from the web of crosshairs aimed squarely at her. In their struggle to find and neutralize the culprit, they realize their own capabilities and how they will fit in their future together.
