Hope changes everything.

It can disarm guilt, shatter shame, and put your past in its place. All you have to do is make the choice to let it in. It won't be easy. It won't be quick. But it is possible and we serve a God who promises over and over again that anything is possible.

Pete Wilson, pastor and the author of *Plan B*, presents a new look at the power of healing through hope, revealing 4 unique choices that have the potential to change your life forever.

With Wilson's telltale cadence and candor, *Let Hope In* explores accounts of seemingly hopeless moments in the Bible illustrating God's ultimate plan for healing by letting hope fill the dark places of your past.

Discover how pain that is not transformed becomes transferred. Embrace the freedom of being okay with not being okay. Learn that a life of trusting is far more magnificent than a life of pleasing. Because hurt people hurt people, but free people have the power to free people.

So make today the day that you get unstuck. The day you fill your past with the light of hope, the day you say good-bye to regret and shame. The day you choose to change your future and embrace who God created you to be, simply by making the choice to **let hope in**.
