Delacroix, has set Daphne in his sights, and she doesn't know why.

Will Daphne allow Delacroix to see into her heart as he learns more about her body? Or has the wealthy, alpha operative already made himself part of her plans, whether she likes it or not?

Book 3 - Avenged by the Billionaire

As Daphne the Dominatrix prepares for her long-awaited fatal confrontation with her murderous boss, she recalls her childhood. Her mentor taught her well, and now she could break any man.

But all of her hatred, surrounded by a hard heart and years of hiding her intentions behind vinyl and an iron will couldn't prepare her for a marriage proposal from the target of her vengeance. And Delacroix's interference with Daphne's big moment might ruin everything!

Will Daphne reach her deadly goal and put her burning spirit to rest? And what of Delacroix and his obsession with the Mistress of The White Room? Will Daphne see a happy ending and put this shadowy, sadistic life behind her?
