**Research Botch Gender Swap (A Feminization Story) E. A. Poon**

**When I volunteered to participate in a study to teach men how women think, I only expected to learn more ways to seduce them...**

I didn't expect to wake up as a sexy girl, or to go home with the sexy researcher.

Excerpt:

“Would you like a ride home?” he asked. “It will take us a few days to figure out how to change you back.”

“No!” I gasped. “I live with my frat. They can't see me like this.”

“Yeah, I can see how that would be a problem. Would you like us to spring for a hotel room?” he asked.

I pouted. It felt natural.

I should have known then that my life would never be the same.
