Shield of Winter: A Psy-Changeling Novel (Psy/Changeling Series Book 13) Nalini Singh
“The alpha author of paranormal romance” (*Booklist*) draws us back into her extraordinary Psy-Changeling world, a world torn between violence and peace, passion and ice...

Assassin. Soldier. Arrow. That is who Vasic is, who he will always be. His soul drenched in blood, his conscience heavy with the weight of all he's done, he exists in the shadows, far from the hope his people can almost touch—if only they do not first drown in the murderous insanity of a lethal contagion. To stop the wave of death, Vasic must complete the simplest and most difficult mission of his life.

For if the Psy race is to survive, the empaths must wake...

Having rebuilt her life after medical “treatment” that violated her mind and sought to suffocate her abilities, Ivy should have run from the black-clad Arrow with eyes of winter frost. But Ivy Jane has never done what she should. Now, she'll fight for her people, and for this Arrow who stands as her living shield, yet believes he is beyond redemption. But as the world turns to screaming crimson, even Ivy's fierce will may not be enough to save Vasic from the cold darkness...
