The Right to Be Out: Sexual Orientation and Gender Identity in America's Public Schools Stuart Biegel

Despite significant advances for gay and transgender persons in the United States, the public school environment remains daunting, even frightening, as evidenced by numerous high-profile incidents of discrimination, bullying, violence, and suicide. Yet efforts to protect the rights of lesbian, gay, bisexual, and transgender (LGBT) students and educators, or to enhance curricula to better reflect the experience of differing sexual orientations and gender identities, are bitterly opposed in the courtroom, at the ballot box, and especially in the schools themselves.

The Right to Be Out begins with a cogent history and analysis of the dramatic legal developments concerning the rights of LGBT persons since 1968. Stuart Biegel then turns to what K-12 schools should do—and in many cases have already done—to implement right-to-be-out policies. He examines recent legal and public policy changes that affect LGBT students and educators in the K-12 public school system.

Underlying all of these issues, he shows, is an implicit tension about the right to be out, a right that is seen as fundamental within LGBT communities today and, legally, draws on both the First Amendment right to express an identity and the Fourteenth Amendment right to be treated equally. Biegel addresses the implications of asserting and protecting this right within the hotly contested terrain of America's public schools.

This book is a valuable resource for K-12 school administrators, parents, teacher organizations, mental health professionals and school counselors, LGBT advocacy groups, and the legal community. A safe and supportive educational environment for all students is possible, Biegel concludes, if built on shared values and a belief in the strength of our pluralistic society.

From reader reviews:

John McKenzie:

Nowadays reading books be than want or need but also be a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with knowledge books but if you want truly feel happy read one with theme for entertaining including comic or novel. The The Right to Be Out: Sexual Orientation and Gender Identity in America's Public Schools is kind of guide which is giving the reader erratic experience.

Leslie Martin:

People live in this new day time of lifestyle always attempt to and must have the time or they will get lot of stress from both way of life and work. So , once we ask do people have time, we will say absolutely without a doubt. People is human not really a huge robot. Then we inquire again, what kind of activity are there when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the book you have read is actually The Right to Be Out: Sexual Orientation and Gender Identity in America's Public Schools.

Kirk Banks:

Many people spending their time frame by playing outside along with friends, fun activity having family or just watching TV the whole day. You can have new activity to enjoy your whole day by examining a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It fine you can have the e-book, having everywhere you want in your Touch screen phone. Like The Right to Be Out: Sexual Orientation and Gender Identity in America's Public Schools which is getting the e-book version. So , why not try out this book? Let's find.

Calvin Cline:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Right to Be Out: Sexual Orientation and Gender Identity in America's Public Schools can make you feel more interested to read.
