When Adam Opens His Eyes (Library of Korean Literature) Jang Jung-Il

First published in 1990, this is a sensational and highly controversial novel by one of Korea's most electrifying contemporary authors. A preposterous coming-of-age story, melding sex, death, and high school in a manner reminiscent of some perverse collision between Georges Bataille and Beverly Cleary, the narrator of this book plows through contemporaneous Korean mores with aplomb, bound for destruction, or maturity--whichever comes first.
