All witch Lara O'Connell wanted to do was dump her neglectful boyfriend and get on with her life. But thanks to a show of power he thought would charm her, her ex is stuck in wolf form. And until she turns him back, she's stuck with him shedding all over her stuff.

The local Alpha werewolf, Stephen, will help her turn her ex back into a human—for a price. He needs Lara's sensitivity to magic to figure out who is killing his people.

But with the FBI looking into Phillip's disappearance, an Alpha trying to make kissy face with her, and a killer who can't be too happy to have her on his trail, Lara's problems are just getting started.
