She's caught in her past until he shows her a future...

Some things can never be forgotten. A helicopter crash in Afghanistan. Capture. Torture. Now U.S. Navy nurse Skylar Pascal is struggling to regain control of her life after a trauma that nearly destroyed her. After losing so much, an ideal job at the Elk Horn Ranch in Wyoming offers Sky something she thought she'd never find again...hope.

Former SEAL Grayson McCoy has his own demons. But something about Elk Horn's lovely-yet-damaged new nurse breaks something loose. Compassion—and passion. And even as Gray works with Sky to piece her confidence back together, something deeper and more tender begins to unfurl between them. Something that could bring her back to life.

But not even the haven of Elk Horn Ranch is safe from dangers. And all of Sky's healing could be undone by the acts of one malicious man...
