This is a Kindle Short Reads (60-90 minutes-22k words)

At the time that I wrote Ghost No More, I just couldn't face an incident that happened in my late teens. I'm stronger now, and Fear No More is that missing section of time.

This book is near and dear to my heart because my readers contributed to it. Thankful for all those brave quotes.

One night changed CeeCee's life forever. At only seventeen, CeeCee is out on the streets. For her, it is all about finding a place to sleep and something to eat. Yet, just when staying alive can't get any harder, she meets someone worse off than herself. The last thing she needs is to get involved in someone else's troubles, but even though she wants to, she can't just walk away - or can she?
