Man: From Glory to Ashes and Back (The People's Bible Teachings) Lyle L. Luchterhand

The People's Bible Teachings is a series of books on all of the main doctrinal teachings of the Bible. Following the pattern set by The People's Bible series, these books are written especially for laypeople. The authors of The People's Bible Teachings are parish pastors and professors who have had years of experience teaching the Bible.

The reason and purpose for our existence has perplexed humanity for ages. Every religion and philosophy has its own view, but are any of these manmade reasons viable? Instead of relying on self-observations, we can turn to the inerrant Word of God for truth. In this book, readers study man's true origin, condition, and destiny. They will get a clear picture of mankind's path from creation to corruption to glory once again--redeemed and restored by the Creator, who himself became a man.
