San Francisco Travel Guide 2016 Junming Guan

San Francisco is a beautiful city in the state of California. It's steep hills, clanging cable cars, terrible transit, and sweet smells, are what makes the city unique. **WHAT LOCALS COMPLAIN ABOUT:** San Francisco Muni. The transit of the city by the bay with its never on-time performance, constant break downs, clogged subways, and expensive fares. **WHERE LOCALS EAT:** The city by the bay, of course. With Chinese food in Chinatown and the avenues, Mexican food in the Mission, Italian food in the North Beach, and mixed food everywhere else!
