The Contemporary Guitar

John Schneider

The Contemporary Guitar John Schneider

The Contemporary Guitar traces the extraordinary rise of the instrument in concert music over the past century. Though recognized worldwide as a popular music icon, the all-to-recent time when the guitar was looked down upon as a second-class citizen in the world of “serious” music is finally past, and it can now be found in the scores of the most important composers. The guitar’s rightful place in chamber music, orchestral music, or as a solo instrument is now without question, whether in the classic acoustic form or the more recent electric version.

While the guitar has stood in the vanguard of musical experimentation, its many new techniques and notations remain a mystery for many composers and players. In *The Contemporary Guitar*, musician and scholar, John Schneider explains each class of technique and illustrates them with examples. Moreover, because the guitar is easily refretted, it has also become a leading instrument in the exploration of the relatively new musical language of microtonality. In this revised and enlarged edition from the original work of three decades ago, Schneider adds a broad-ranging, entirely new chapter on the instruments, notation and repertoire with insights into the interpretation of historical works through the application of accurate contemporary tunings and temperaments.

The guitar’s unique timbre—its tone color—is one of the most versatile among modern instruments, both acoustic and electric. Most players who intuitively explore the subtleties of tone color will find outlined in *The Contemporary Guitar* the specific principles of physics that determine these subtleties which, once mastered, permit guitarists to control more completely the expressive palette of their instrument. Designated the Rational Method of Tone Production by its author, Schneider defines in great detail the timbral characteristics of acoustic and electric instruments from theoretical, physical, and musical viewpoints.

Players in search of new repertoire will find an historical survey of the literature, an exhaustive list of new music, and a multitude of techniques for bringing such music to life. *The Contemporary Guitar* provides audio examples online for those seeking to discover new sounds and includes the notation to perform them.

From reader reviews:

Robert Stratton:

Have you spare time for any day? What do you do when you have much more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent their particular spare time to take a move, shopping, or went to the particular Mall. How about open or maybe read a book entitled The Contemporary Guitar? Maybe it is to become best activity for you. You recognize beside you can spend your time together with your favorite's book, you can better than before. Do you agree with their opinion or you have other opinion?

Dean Green:

The book The Contemporary Guitar give you a sense of feeling enjoy for your spare time. You should use to make your capable a lot more increase. Book can being your best friend when you getting stress or having big problem using your subject. If you can make reading a book The Contemporary Guitar for being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like open up and read a guide The Contemporary Guitar. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other folks. So , how do you think about this publication?

Nancy Figaro:

Why? Because this The Contemporary Guitar is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book have such as help improving your proficiency and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the publication store hurriedly.

Angela Joseph:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Contemporary Guitar, it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its identified as reading friends.
