DESCRIPTIONS:

FIFTH AVENUE:

Look beneath all the power and all the wealth that represents New York City's Fifth Avenue, and you'll find greed, blood, revenge. In the international best-selling thriller "Fifth Avenue," each intermingles within a revered society that is unprepared for what's in store for it when one man finally strikes in an effort to destroy another man for murdering his wife thirty-one years ago.

Louis Ryan is that man. George Redman, his wife, two daughters and their close friends are his targets. Both men are self-made billionaires who came from nothing to stake their claim to Fifth Avenue. But when Louis Ryan hires an international assassin to literally rip the Redman family apart, a series of events that can't be stopped catapults them all through a fast-paced, hard-edged thriller in which nobody is safe.

Secrets are revealed. Sex lives are exposed. The Mafia get involved. And George's two daughters, Celina and Leana Redman, come to the forefront. More than anyone, it's they who are caught in the throes of their father's past as Louis Ryan's blind desire to kill them all takes surprising turns in his all-out effort to see them dead.

RUNNING OF THE BULLS:

In the second book in the international best-selling "Fifth Avenue Series," a former Wall Street titan who robbed the world of billions is now out of prison. Good for him, but not for those who put him there. Now, they are dying grisly deaths by the hands of two hired assassins.

Investigating is private investigator Marty Spellman, who soon learns that all isn't what it seems as the twists pile up along with sheer number of the dead.

Spellman's life is put on the line. His family is threatened. No one is who they appear to be. Who can he trust as the bulls of Wall Street start to run as the two assassins--Vincent Spocatti and Carmen Gragera--fully ignite their killing spree?

FROM MANHATTAN WITH LOVE:

An outcast billionaire's daughter is caught at the wrong place at the wrong time.

An international assassin questions her sanity when she falls in love with the very assassin she's charged to assassinate.

What happens when each collide? Chaos. Murder. Love. Revenge.

And redemption.

In this taut, 35,000-word novella, which is a prequel to the upcoming third novel in the Fifth Avenue series, "Park Avenue," both women come together for the first time in an explosive story that threatens each of their lives, particularly when one woman breaks her own rules and dares to fall in love.

In "From Manhattan with Love," she soon learns what she always feared. When it comes to real danger, there's nothing more dangerous than love itself.
