Molly Cooper is an average American college student living with her vivacious best friend, Breanna, and sipping coffee every weekday morning with the eccentric Marty. But when she finds out she is a paranoid schizophrenic, her life changes forever. As if this isn't difficult enough, shortly following her diagnosis of mental illness comes a heart disease in the form of Clay Turner. Love strikes Molly hard but how can she keep a relationship when she can't tell what's real and what's fantasy? This thrilling and heartfelt tale follows Molly as she tries to take on friendship, love, and self-discovery without driving herself crazy. Well...crazier.
