Leather and Lace (Tempered Steel Book 2) Maggie Adams

Sam Coalson, ex-Navy Seal, has returned to Grafton for the wedding of his brother. After being run out of town fifteen years ago for a crime he didn't commit, he's determined to claim what is rightfully his and take on anyone crazy enough to try and stop him.

Angel Devereaux is smart, sexy and definitely on Sam's blacklist. After siding with Sam's enemy fifteen years ago, Angel can't help but wonder what if...what if Sam had never left? What if he could forgive her now? She had her reasons, but he won't listen. So enough with words, sometimes action is exactly what's called for.
